## Vilnius University, Lithuania

## Hong Kong Baptist University, China – Hong Kong

The pursuit of Excellence, Innovation and Whole Person Education are at the heart of learning at Hong Kong Baptist University. We continue to progress new initiatives to enhance students' awareness and understanding of the world. In so doing we ensure the education we offer – from kindergarten through to university – is fun, broad-based, practical and creative.

## Open University, United Kingdom

Teachers from C.M.Vellem, a township school in Grahamstown, South Africa, catching up on TESSA. The newsletter shares the latest ideas for teacher development activities from across the nine countries in the TESSA network.

The Teacher Education in Sub-Saharan Africa (TESSA) Programme.

## University of the East, Philippines

Special contribution by Samil Jalmi, World Bank
