

INVITATION LETTER

The Turkmen State Institute of Economics and Management has the honor to invite you and representatives of your organization to participate in the scientific and practical conference "Modern trends of the development of financial markets", which will be held online on April 26, 2024. We are confident that this conference will provide an opportunity for the exchange of mutually beneficial scientific and practical knowledge and experience.

Everyone wishing to take part in the conference should send abstracts of speeches before April 15, 2024 by e-mail:

tsiem.conference@gmail.com

Conference working languages: Turkmen, Russian and English.

The international scientific and practical conference will be held in 3 sections:

- I section. Financial markets and sustainable economic development.
- II section. The role of banks in the development of financial markets.
- III section. Financial markets and investment activity.

To participate in a scientific conference, please send abstracts, annotations and reports to the organizing committee (report for 5-10 minutes, abstracts no more than 1.5 pages, annotations - 0.5 pages in Times New Roman, font 14, text spacing - single).

The Organizing Committee has the right to issue the best abstracts.

Additional information and announcements related to the conference will be posted on the institute's website <https://tsiem.edu.tm/>.

Organizing Committee, TSIEM

GENERAL REQUIREMENTS
for participation in the international scientific conference «Modern trends
of the development of financial markets» which is going to be held in
Turkmen state institute of economics and management in
online format in 26th of April, 2024

1. Each author willing to take part in the conference can submit only one thesis and it should not be added more than two co-authors of the work. The content of the paper should describe original research and correspond to the stated topic.

2. To participate in the conference, registration form of the participant has to be filled (standard font, Times New Roman, 12 pt):

Surname	
Name	
Patronymic	
Position	
Academic degree, title	
Current workplace	
The address of the workplace (with indication of the postal code)	
Work phone number	
The title of the report	
Thematic field of the report	
The language of the report	

3. For participation in the conference, the theses and annotations of the report should be prepared. The theses should be written in one of the working languages of the conference.

4. Translations of the annotations of participants from Turkmenistan into English and Russian languages must be verified by the relevant departments of the higher education institutions or translation agencies.

5. Translations of annotations of theses of foreign participants into the Turkmen and Russian languages is under responsibility of the Organizing Committee.

6. Foreign participants should prepare and send the texts of their reports to the Organizing Committee (5—10 minutes' report).

7. Theses and annotations of participants from Turkmenistan should be reviewed and discussed in the organization the author works for and send with the relevant letter signed by the head of this organization to the Turkmen state institute of economics and management. Electronic versions of theses and annotations of reports must be attached to the letter.

8. Authors bear personal responsibility for the content of submitted papers.

9. Foreign scientists should send registration form, theses, annotations and reports to the email addresses: tsiem.conference@gmail.com

REQUIREMENTS for abstracts and annotations of papers

1. Abstracts of the theses of reports should not exceed 1.5 pages in A4 format (210x297 mm), and annotations should take 0,5 of the page.

2. Margins: top and bottom — 2.0 sm, left — 2.5 sm, right — 1.5 sm. Orientation - portrait, font - Times New Roman, size - 14 pt, text spacing - single.

3. The presence of figures, formulas and tables is allowed only in cases where it is impossible to describe the process in text form. In this case, each object should not exceed the specified page sizes, and the font in it should not be less than 14. The total volume of abstract together with figures, formulas and tables should not exceed 1,5 page of A4 format.

4. All materials submitted for the conference are accepted only in Microsoft Word document (with *.doc, *.docx extension).

5. Theses of reports and annotations must be kept in one file, and be prepared in the form shown below:

- the name, surname of the author is typed in lowercase letters in bold, font 14 and aligned to the width of the page, the name of the country of residence is indicated in brackets (for example: Murad Atayev (Turkmenistan));
- in case if the report has a co-author, the name and surname of the speaker/reporter are indicated first;
- Title of the report is typed in capital letters, by bold, font 16, placed on the page center;
- before the subsequent typing of the text of the abstract, skip 1 line.

6. The content of the theses of reports and annotations should be aligned by page width. Mathematical formulas must be typed on a computer using appropriate formula editors.

7. References to literature sources must be numbered by figures in square brackets: [1], [2], [3—5], etc. The list of references is located at the end of the theses of the reports in the order of their mention in the text, the heading LITERATURE is placed before the list.

8. The pages of theses and annotations are not numbered.

9. Theses are not accepted if they do not comply with requirements.

10. Accepted to consideration theses could not be corrected.

11. Accepted documents will not be returned.

12. The theses submissions may be rejected by the decision of the Organizing Committee.

Attention!

1. Abstracts and annotations should be allocated in one file. The title of file should contain name, surname, patronymic of the reporter and letter code «tez». For example, the reporter -Atayev Murad, the name of the file would be «Atayev M.tez.doc».

2. Registration forms are filled in by all authors of the thesis and located in one file. The registration forms of the speaker types first and then the registration form of co-author.

The file name of the registration form must combine the last name, first name, patronymic of the author and the letter code «reg». For example, «Ataev M. reg.doc».

3. For each thesis, a separate file is created and placed in an electronic folder indicating the name of the speaker. For example, folder: «Ataev M.»

4. Do not archive files!

Sample thesis of the report:

TRENDS OF THE INTERNATIONAL FINANCIAL MARKET DEVELOPMENT

Myrat Atayev (Turkmenistan)

(Text: font — Times New Roman, size — 14 pt, interval — 1)
